DRAKOMERE.COM

OBJECTIVE

I want to work on a fully develop Project Istari into a full and functional TTRPG, and creature numerous stories based in the world of Drakomere.

SKILLS

I am good at creating stories, ideas, implementations of those ideas, and developing a welcoming and enjoyable community.

EXPERIENCE

HELPED UPLOAD DEVOTIONALS

March 27th 2020 - Present

I uploaded and formatted the devotionals my Grandfather writes every day to his website, donkirkwood.com. This allows by brother to copy/edit them in a well formatted and easy to use manner before publishing.

GAME DESIGN

February 27th 2022 - Present

I first reworked the entirety of the player options for the Dungeons and Dragons 5th Edition TTRPG system, before beginning work on my own TTRPG, Project Istari (working title) at the end of January 2022.

EDUCATION

10.5 GRADES

School

I am currently about a month away from finishing my second semester of my junior year of high-school. My current average GPA is 2.92.

VOLUNTEER EXPERIENCE OR LEADERSHIP

I have helped numerous older members of my community with moving, cleaning up their yards, and working on plumbing.
